

## **Announcing: Men's Golf League 25th Year Celebration Trivia Contest**

To celebrate our 25th year of Men's Golf League (thru 2019), I have created a Trivia Contest. It is a team based contest with a prize of \$200, thanks to our 8 sponsors: Woodall Agency, Inc., Trice Hughes, Inc., McDonalds, Farmers Bank and Trust Company, Farless Realty, Planters Bank, Goodwin Insurance Agency, Inc. and Jeffery Rousseau, P.S.C.

I have sent a copy of the contest to each team captain and it is posted on the Club website. It is 2 pages, 23 questions, 64 answers and 64 possible points (1 point for each correct answer). 2020 statistics are not included in the contest. The team that scores the most points will win the contest and the \$200 prize. Teams have from now until the banquet to answer the Trivia Contest questions. Each team must turn in their completed contest forms at the banquet. After we finish the banquet meal, we will grade the forms, determine the winner and award the \$200 prize.

The different teams should put their heads together to try and answer the trivia questions. Guard your answers from other teams. Older teams and older players with more years of experience in the Men's League might realize an advantage. In order to "level the playing field," I have consolidated 25 years of Men's League archive data (1995 - 2019) and Michael Prowell has posted it on the PG&CC website. Many (but not all) of the answers to the trivia questions can be found in this archive data, if a person takes the time to review the data.

Just in case you wondered, I am exempt from the contest. The Assassins will have to answer the Trivia Contest questions without any help from me.

Buddy
