

Late May Newsletter

MEN'S GOLF LEAGUE

The 2022 starting handicap statistics are posted on the club website. There was an error in the last newsletter. The entry fee for each league member is \$50, not \$47. Last year at the awards banquet we voted to increase the entry fee in order to provide more money for the banquet expense. Pay this entry fee to your team captain, who will turn it in to the league secretary, Buddy Cash.

Our Club Project Committee will be Fred Foltz, Ryals Farless and Bruce McCalister. They are charged with accepting suggestions from Men's Golf League members on how to spend our club project money to benefit the club. They will present the best suggestions to our members at the Awards Banquet for a vote on determining how the money will be spent. If you have a suggestion, it should be submitted to one of these committee members.

The Hole-In-One Contest rules are posted on the Club website. A player cannot win this contest before paying his \$2 yearly update fee or the \$10 entry fee for new members. The current cash prize is \$1,965.00.

The first league match is Thursday, June 2. Be on the practice green at 5:00 p.m. Tee off at 5:30 p.m. Don't be late. Foursomes will be determined by a random draw from those players who show up to play that night. There will be 13 weekly matches and the last match is August 25. Rainouts will not be made up. The tee time for the last 2 matches (Aug 18 & 25) will be earlier at 5:00 pm because of the earlier sunset. The awards banquet will be Thursday, September 8.

After play is finished, go inside to the bar, have a drink, and enjoy the fellowship while tallying up the scorecards. There will be 2 twosome scorecards for each foursome. The 2 players on each scorecard should attest each others score and both should sign the scorecard and both should make sure that the scorecard gets turned in at the bar at the end of the match. This twosome scorecard is the only record of their score for that match.
